

LI Mengyuan

Associate Lecturer & Consultant, Smart Health Leadership Centre

✉ isslm@nus.edu.sg

Profile

Mengyuan has 5 years extensive experience as a staff nurse in tertiary hospital in Singapore prior to joining NUS-ISS. She graduated with a Bachelor of Science (Nursing) from NUS. With an interest in biostatistics and healthcare system, Mengyuan is keen to pursue her career in healthcare application and research field. Currently she is working on the m-Health Rehabilitation System for Stroke Patient Recovery under the grant from SG Enable.
