

Bennie CHIA

Associate Lecturer & Consultant, Smart Health Leadership Centre

✉ bennie@nus.edu.sg

Profile

Bennie is currently an Associate Lecturer & Consultant, Smart Health Leadership Centre with NUS-ISS. Through his wealth of experience in healthcare, Bennie led numerous national and institutional level projects and contributed vastly in areas such as healthcare operations, service innovation, training delivery and student development.

Prior to joining NUS-ISS, Bennie spent a couple of years honing his knowledge as a Gerontologist practitioner by developing, revamping and delivering related curriculum through blended learning to both youths and adult learners.

Bennie hopes to drive changes in the health and community sector through his passion and support for healthcare transformation and improvement to quality of life.
